Volunteer Agreement & Conduct Acknowledgment

I understand that volunteering with the Dorados Football Touchdown Club (DFTC) is a voluntary and unpaid position, provided to support the CDO Football Program. My role does not grant authority over coaching decisions, playing time, player evaluations, or team management, which remain solely at the discretion of the coaching staff and school administration.

I agree to maintain the confidentiality of all sensitive information I may hear or observe while volunteering, including but not limited to student-athlete details, team strategies, or internal club matters. I will not post or share such information in person, online, or via social media.

If I am unable to fulfill a commitment I have made, I agree to notify a DFTC Board Member as soon as possible so that alternate arrangements can be made in support of the team.

I agree to coordinate with and report to a designated Board Member on a consistent basis. I will not act independently or make decisions on behalf of the booster program without the knowledge and approval of the DFTC Board. This ensures consistency, fairness, and alignment with the mission of supporting all athletes.

I understand that DFTC will not reimburse for any purchases or expenditures unless they have been pre-approved by the Board in writing. Unauthorized spending will not be eligible for reimbursement.

I acknowledge that participation in the DFTC requires commitment to our shared values, policies, and communication standards, all of which are designed to serve the best interest of the student-athletes and the program as a whole.

✓ I agree to support the DFTC with grace, flexibility, and community spirit.
